

JOINT ENTRANCE EXAMINATIONS, ORISSA 2011 (OJEE 2011)

FOR INFORMATION OF TFW CANDIDATES IN ENGINEERING STREAM

1. In the Intermediate Round, the allotment for reporting TFW candidates in Engineering stream (*i.e. the allotted TFW candidates in the First Round who deposit the Part Admission Fee at the nodal centres and choose the options between offers of TFW seat and Non-TFW seats*) will be published on 28-08-2011 with options of TFW seat and Non-TFW seat.
2. The TFW candidates need to choose any of the above options offered in the Intermediate Round during 29-08-2011 and 30-08-2011 at the nodal centres.
3. In case, the TFW seat is chosen in the Intermediate Round, he/she will be processed for second (final) round along with similar TFW candidates.
4. In case the Non-TFW seat is chosen in the Intermediate Round by the TFW candidate, he/she will be processed for second (final) round along with Non-TFW candidates.
5. The TFW candidates who have been allotted Non-TFW seats in the First Round and are offered options of TFW seat and Non-TFW seat in the Intermediate Round, are also required to choose between these two options. In case they do not choose the options, they will be processed for Final Round Allotment along with Non-TFW candidates.
